12th colloquium on financial markets

Asset Management

april 15, 2013, cologne

Topic: The colloquium provides a unique platform to discuss the latest issues in asset management during talks and poster presentations. We invite submissions from all areas of finance, in particular:

- asset management
- portfolio management
- risk management
- behavioral finance
- asset pricing
- household finance

Concept: The 12th Colloquium on Financial Markets offers academics and practitioners a unique forum to present and discuss current research addressing all areas of asset management. In order to provide a workshop atmosphere, the number of participants is strictly limited. Paper presentations should not exceed 20 minutes to leave enough time for plenary discussion. Paper presenters are encouraged to give a formal 10-minute discussion of one other paper. The poster presentations will take place in a separate 60-minute session. The colloquium will be held in English.

Best Paper Award: Papers accepted for presentation at the conference are eligible for the “Best Paper Award”, which carries a cash prize of € 2.000.

Submission: Papers must be written in English. Please submit your paper as a pdf file by email to finanzmarktkolloquium@cfr-cologne.de. The cover page of your submission should include the title, the names of the authors, their affiliation, address, phone number, and email address. The following page should contain the title and an abstract, but no information on the authors. If you would like to apply only for the poster session, an extended abstract is sufficient for the review process.

Schedule: Submissions must be received by **February 15, 2013**. Afterwards, the papers will be double-blind reviewed by a distinguished referee panel. Authors of selected and rejected papers will be notified by the end of March 2013.

Registration: The conference fee is € 75 and includes catering and course material. If you are interested in attending, please apply via www.cfr-cologne.de.

Information: For further information, please visit our website www.cfr-cologne.de or contact Mr. Stefan Jaspersen (jaspersen@wiso.uni-koeln.de).
