13<sup>th</sup> colloquium on financial markets

## Asset Management

april 7th, 2014, cologne

**Topic:** The colloquium provides a unique platform to discuss the latest issues in asset management. We particularly encourage submissions of papers on all areas of asset management, such as mutual and hedge funds, pension funds and ETFs, trading strategies, investor behavior, empirical asset pricing, asset allocation, and risk management. However, there is no restriction on these topics.

**Concept:** The 13<sup>th</sup> Colloquium on Financial Markets addresses both academics and practitioners interested in the field of asset management. There will be presentations and a separate poster session. To provide a workshop atmosphere, the number of participants is limited. We expect participants to be willing to discuss one other paper. The conference language is English.

**Best Paper Award:** Papers accepted for presentation at the conference are eligible for the Best Paper Award which carries a cash prize of € 2.000.

**Submission:** Please submit your paper as pdf file via email to [colloquium@cfr-cologne.de](mailto:colloquium@cfr-cologne.de). The cover page of your submission should include the title, the names of the authors, their addresses, phone numbers, and email addresses. The following page should contain the title and an abstract, leaving no hint on the authors' identities. If you would like to apply merely for the poster session, an extended abstract is sufficient for the review process.

**Schedule:** The deadline for submissions is **January 15, 2014**. The papers will be double-blind reviewed by a distinguished referee panel. Authors will be notified about the outcome by the end of February 2014.

**Registration:** The conference fee is € 75. If you are interested in attending, please apply via [www.cfr-cologne.de](http://www.cfr-cologne.de).
