19th cologne colloquium on financial markets

Asset management

march 30th, 2020, cologne

Topic: The colloquium provides a unique platform to discuss the latest issues in asset management. We particularly encourage submissions of papers on all areas of asset management, such as mutual and hedge funds, pension funds and ETFs, trading strategies, and investor behavior. However, there is no restriction on these topics.

Concept: The 19th Cologne Colloquium on Financial Markets addresses both academics and practitioners interested in the field of asset management. There will be presentations and a separate poster session. To provide a workshop atmosphere, the number of participants is limited. We expect participants to be willing to discuss another paper. The conference language is English.

Submission: Please submit your paper as pdf file via email to colloquium@cfr-cologne.de. The cover page of your submission should include the title, the names of the authors, their addresses, phone numbers, and email addresses. The following page should contain the title and an abstract, leaving no hint on the authors' identities.

Schedule: The deadline for submissions is **January 15th, 2020**. The papers will be double-blind reviewed by a distinguished referee panel. Authors will be notified about the outcome by end of February 2020.

Registration: The conference fee is € 75. Conference fees will be waived for all presenting authors and discussants. If you are interested in attending, please send an email to colloquium@cfr-cologne.de.

Information: For further information, please visit our website www.cfr-cologne.de or contact Dr. Alexander Pütz (puetz@cfr-cologne.de).
