Join us for our Presentation

Solving complex challenges and fuelling economic growth across continents is what we do. If you have the perspective to face today's global challenges, we'd like to talk to you.

Please join us for a reception to discuss current trends in investment banking, meet with our representatives and learn about the career opportunities Morgan Stanley has to offer. The presentation will be followed by a one-hour get-together to discuss recent German transactions, as well as ongoing topics in the investment banking world.
